## Use of Information

In considering your application we will search your personal and where applicable, business record at one or more Credit Reference Agencies. They will add to your records details of our search and your application and this will be seen by other organisations that make searches. Information held about you by the Credit Reference Agencies may already be linked to records relating to one or more of your partners. For the purposes of this application you may be treated as financially linked and your application will be assessed with reference to any "associated" records.

If you are a joint applicant, or if you have told us of some other financial association with another person, you must be sure that you are entitled to:

- disclose information about your joint applicant and anyone referred to by you;
- authorise us to search, link or record information at Credit Reference Agencies about you and anyone referred to by you.

An "association" between joint applicants, and between you and anyone you tell us is your financial partner, will be created at Credit Reference Agencies. This will link your financial records, each of which will be taken into account in all future applications by either, or both of you. This will continue until one of you successfully files a disassociation at the Credit Reference Agencies.

We will/may use a credit scoring or other automated decision making system when assessing your application.

We will also add to your personal and where applicable, business record with one or more of the Credit Reference Agencies details of your agreement with us, the payment you make under it, any default or failure to keep to its terms and any change of address you fail to tell us about where a payment is overdue. These records will be shared with other organisations and used by us and them to trace debtors, recover debt, and to manage your accounts or insurance policies.

We may also make periodic searches at Credit Reference Agencies and Fraud Prevention Agencies to manage your account with us.

If you are a director, we will seek confirmation, from Credit Reference Agencies, that the residential address that you provide is the same as that shown on the restricted register of directors' usual addresses at Companies House.

Information on applications will be sent to Credit Reference Agencies and will be recorded by them, including information on your business and its proprietors and Credit Reference Agencies may create a record of the name and address of your business and its proprietors if there is not one already.

It is important that you give us accurate information. We will check your details with Fraud Prevention Agencies and if you give us false or inaccurate information and fraud is identified, details will be passed to Fraud Prevention Agencies. You may also be liable to criminal prosecution.

Law Enforcement Agencies may access and use this information. We and other organisations may access and use from other countries the information recorded by Fraud Prevention Agencies. We, and other organisations may also access and use this information to prevent fraud and money laundering, for example, when;

- checking details on applications for credit and credit related or other facilities
- managing credit and credit related accounts or facilities
- recovering debt
- checking details on proposals and claims for all types of insurance
- checking details of job applicants and employees.

For these purposes they or we may make further searches. These searches may be added to your record and shared with others.

If we are unable to accept your application we will/may pass it onto other members of our group or selected third parties, who may also search your records at Credit Reference Agencies. The record of these searches will also be kept and seen by other organisations that make searches. The other group members or selected third parties to whom we pass your application may also use automated systems and carry out the checks referred to above.

We, the Credit Reference Agencies and the Fraud Prevention Agencies will also use the records for statistical analysis about credit, insurance and fraud. We may also use information about you to carry out market research.

In addition, we may disclose details held on our records about you, this agreement, or the conduct of your account with us to:-

- any actual or prospective insurer under this agreement who may use them to help decide whether or not to offer cover, in fraud prevention and processing claims;
- any actual or prospective purchaser of this agreement who will use them for statistical analysis

Please telephone us on 029 2069 5400 if you want to have details of those Credit Reference and Fraud Prevention Agencies from whom we obtain and to whom we pass information about you. You have a legal right to these details.
